Back From The Brink The The projects. Back from the Brink is one of the most ambitious conservation projects ever undertaken. Its aim - to save 20 species from extinction and benefit over 200 more through 19 projects that span England; from the tip of Cornwall to Northumberland. It's the first time ever that so many conservation organisations have come together with one focus in mind - to bring back from the brink of extinction some of England's most threatened species of animal, plant and fungi.
