... By the early 19th Century, London's churchyards were becoming too crowded; coffins sometimes jutted out of grounds and the air filled with a stench blamed for causing lethargy, fever, even cholera. BBC - Autos - The strange, gruesome truth about plague ... The unique climatic conditions in the crypts allow the bodies to undergo a natural process of mummification. Historians believe that the micro-climate of the catacombs arrests the decaying of the corpses that have been kept in the crypts since the 17th century. Many corpses were laid in the catacombs without coffins and directly on earth. Krakow Introduction Walk (Self Guided), Krakow, Poland Save 84% off the newsstand price! During Jean-
