implications of globalization and the changing face of tribal identity in Northeast India. It illustrates the social change among the tribal communities in the era of globalization, and problematises as to how the globalization as a process, has heightened the social conflict among various ethnic groups in Northeast region and the subsequent ... Globalization and Changing Tribal Identity in North East ... In the multitribal or plural society of the town itself, tribal identity is now enlarged to the limits of the individual's tribal society as a whole. It becomes a category of social interaction competing for the townsman's allegiance with other social categories, such as residential ties, class, and modern nationalism. Tribal
