Accounting An introduction. Fourth Edition. Edited by Jacqui Kew and Alex Watson. The unique narrative approach taken by the book contextualizes accounting concepts for students and this "allows for reference to be made back to earlier events, concepts or transactions with more meaning for the reader than a more formal text could achieve." Financial Accounting - Jacqui Kew; Alex Watson - Oxford ... The first edition of this book was published in 1974 to fulfil a long-felt need for a theoretically based introductory textbook on accounting for students. In this, the thirteenth edition, the contents have been updated with the latest developments in accounting in order to comply with International
