body survives and redefines the boundaries in a period of intense, unsettling change and disembodiment. At the heart of the book is how sound and silence in space, in memory and in the action of performance acquire meaning. Haunted Weather: Music, Silence, and Memory by David Toop Haunted Weather is still just a compilation album and detractors of the format will not be converted, but it is a highly personal one, with a higher than average level of quality and interest. It's also remarkably easy to listen to, despite the challenging nature of the music it presents. Haunted Weather: Music, Silence, and Memory - David Toop ...
