Marriage, Family, and Business in ... Kinship, marriage, and the family. The smooth operation of social life depended on obedience to religious precepts and on the operation of kinship, which was the major force regulating interpersonal behaviour. Kinship is a system of social relationships expressed in a biological idiom through terms such as mother, son, and so on. All Aboriginal kinship systems were classificatory, that is, a limited number of terms was extended to cover all known persons. Kinship, marriage, and the family - Britannica Albert J.
