Ambivalence was the term borrowed by Sigmund Freud to indicate the simultaneous presence of love and hate towards the same object. While the roots of ambivalence can be traced back to breast-feeding in the oral stage, it was re-inforced during toilet-training as well. Freudian followers such as Karl Abraham and Erik H. Erikson distinguished between an early sub ... Love and hate (psychoanalysis) - Wikipedia Klein. Main articles: Melanie Klein and Klein's theory splitting. Klein considered the ability to recognise our destructive impulses towards those we love, and to make reparation for the damage we have caused them, to be an essential part of mental health. A key condition for this to take place is the recognition of one's separateness from one's parents, which makes possible the reparative attempt to restore their inner representations, however damaged these may be felt

to be. Reparation (psychoanalysis) - Wikipedia Love, Hate and Reparation. This book is something new in psychoanalytical exposition-both in its subject matter and its form of presentation.
