... A traditional quilt is made of

three layers: the quilt top, which you've pieced or appliqued, the batting, and the backing. Quilting is the stitching that holds the layers of a quilt together. Its not a quilt until its quilted! Traditionally cotton was used for all three layers and for the quilting thread. Beginning Quilting 101 / Machine Quilting

Instructions Of all the books I've encountered, Quilting 101 is the closest to this experience. First, it doesn't assume any sewing background. It starts out with an explanation of how bobbins work, for example, rather than blithely expecting that you've been using at least the super-easy sewing patterns for years.
